

External Examiner (EE)

Purpose of this Role

- Undertake sampling of assessment and internal verification decisions for units from a range of programmes within a Principal Subject Area (PSA) in order to affirm that national standards have been achieved and upheld
- Support centres during the sampling process
- Support centres in the delivery of BTEC programmes to national standards.

Key Accountabilities

Covering a defined range of programmes within a PSA, the External Examiner will:

- Undertake sampling of learner work within defined parameters and rules to establish whether assessment outcomes and internal verification processes meet national standards
- Provide sampling-related support and development to centres
- Produce reports for centres and Pearson on the: sampling undertaken; outcomes reached and support provided
- Apply appropriate sanctions where it is deemed that flawed assessment or internal verification decisions or processes mean that national standards are not met
- Produce targeted actions for centres to assist with remedial action where national standards are not being upheld
- Support centres to understand and implement identified actions
- Source materials for training and standardisation
- Report back to Pearson and centres following EE activity within agreed service-level agreements
- Provide source materials for the standardisation of centre assessors, internal verifiers and lead internal verifiers as requested
- Undertake any other duties appropriate to the work of Technical and Professional Assessment in relation to this role

Previous Work Experience:

Essential:

- Significant experience in delivering and assessing BTEC Level 4 to level 7 qualifications
- Evidence of Continuous Professional Development (CPD) in the field of assessment and delivery of vocational qualifications

Desirable:

- A willingness to engage in online training and standardisation and to use technology-based approaches to communication and centre support

Skills and Knowledge

Essential:

- Excellent communication, written, verbal, IT and interpersonal skills
- A good working knowledge of the specifications that comprise the area of expertise for the role
- A customer-focused approach
- The need to meet deadlines
- Develop and monitor clear action plans
- Ability to work effectively as part of a team

Desirable:

- Word processing and intermediate Excel skills

About Pearson:

Welcome to Pearson, the world's leading learning company. We provide content, assessment and digital services to learners, educational institutions, employers, governments and other partners globally.

We are the UK's largest awarding body and offer qualifications that are globally recognised and benchmarked, with educational excellence rooted in a range of General and Vocational courses.

We value the power of inclusive culture and embed diversity and inclusion in everything we do. Pearson promotes a company culture where differences are embraced as strengths, opportunities are equal and accessible, consideration and respect are the norm. Through our talent, we believe that diversity and inclusion make us a more innovative and vibrant company. People are at the centre of our company. We are committed to a sustainable environment and workplace ecosystem where talent can learn, grow, and thrive.
