

NVQ Standards Verifier - Senior Healthcare Support Worker – Children and Young People

Purpose of this role:

Undertake sampling of assessment and internal verification decisions and records for competence-based qualifications within a Principal Subject Area (PSA) in order to affirm that national occupational standards have been achieved and upheld. Support, advise and guide centres based on the outcomes of the sampling process. Direct centres in the delivery of competence-based qualifications towards the achievement of national occupational standards.

Applicants must have significant experience of delivering and assessing NVQs at level 1-3, hold D32/D33 or A1 qualifications, and hold/be working towards the V1 or the Award in the Internal Quality Assurance of Assessment Processes and Practice. A good working knowledge of the relevant specifications, and evidence of Continuous Professional Development (CPD) in the field of assessment and delivery of vocational qualifications are also required.

Key Accountabilities:

For competence-based qualifications for the sector(s) for which occupational competency is demonstrated, the Standards Verifier NVQ will:

- Undertake sampling of learner work within defined parameters and rules to verify that assessment outcomes, assessment and internal verification processes meet national occupational standards
- Provide sector-specific support, advice and guidance to centres

- Produce reports for centres and Pearson on the: sampling undertaken; outcomes reached and support provided
- To recommend limited certification, certification deferral or registration deferral where it is deemed that flawed assessment or internal verification decisions or processes mean that national occupational standards are not met
- Produce targeted actions for centres to assist with remedial action where national occupational standards are not being upheld
- Support centres to understand and implement identified actions
- Report back to Pearson and centres following SV activity within agreed service-level agreements
- Provide source materials for the standardisation of centre assessors, internal verifiers and lead internal verifiers as requested
- Undertake any other duties appropriate to the work of WBL Assessment in relation to this role

PERSON SPECIFICATION

Experience Required:

Essential:

In order to be considered for the role, you must be occupationally competent in Children and Young People Support. Please refer to attached Apprenticeship standards for guidance on specific requirements.

Children and young people (CYP 7) senior healthcare support workers look after neonates, babies, infants, children and young people in a range of settings; your duties will vary accordingly. You will support them with their healthcare needs. Your supervisor will be a registered healthcare practitioner, in most instances a registered nurse. You will work within guidelines and legislation designed to protect and support children and young people, recognising the different needs and rights they have at different ages and stages of their development. You will promote person and family-centred care, working in partnership with parents, families and other services and agencies.

- Significant experience in delivering and assessing NVQs

- Hold D32/D33 or A1 qualifications, and hold/be working towards the V1 or the Award in the Internal Quality Assurance of Assessment Processes and Practice
- Evidence of Continuous Professional Development (CPD) in the field of assessment and delivery of vocational qualifications.

Desirable

- A willingness to engage in online training and standardisation and to use technology-based approaches for communication and centre support
- Significant experience in delivering and assessing NVQs.

Skills & Knowledge: Essential

- Excellent communication, written, verbal, IT and interpersonal skills
- A good working knowledge of the specifications that comprise the area of expertise for the role
- A customer-focused approach
- Time management and ability to develop and monitor clear action plans
- Ability to work effectively as part of a team
- Ability to understand the implications of decisions taken on Pearson's behalf and not to operate outside the sphere of responsibility defined within this job description

Desirable

- Word processing and basic spreadsheet manipulation

Requirements:

Any associate undertaking this role must:

- Have personal IT equipment capable of running Pearson required software
- Have a suitable internet connection
- Have a personal and secure email account

- Have a postal address in the United Kingdom or Republic of Ireland Declare any conflicts of interest that could impact on the role
- Have availability for a minimum of 8 allocations in any given year
- Abide by the terms of conditions as stated in the contract for word
