Sector Advisor – BTEC Level 4 Diploma Healthcare Science

Purpose of this role:

The Sector Advisor (SA) will support the verification of the BTEC Level 4 Diploma in Healthcare Science. The SA will remotely sample learner work against the [specification](#) and confirm if the learner has met the standard for particular units of this qualification.

The SA will work with the Standards Verifier to recommend whether units are being assessed to national standards.

The SA must be occupationally competent and have evidence of Continuing Professional Development (CPD) in the units they are sampling,

This role would usually only require remote sampling from the SA and would only require physical travelling in exceptional circumstances.

Key Accountabilities:

Acceptance of a contract to provide services to Pearson as a Sector Advisor will be regarded as an undertaking to meet the following requirements:

- Familiarise yourself with the specification so that you can refer to the unit content and assessment criteria when carrying out sampling
- Provide proof of relevant CPD annually for the specialisms you are appointed in as an SA
- Undertake sampling of learner work to ensure that valid and reliable assessment decisions are made and national standards are met.
- Provide sector-specific support, advice and guidance to the Standards Verifier

- Complete the Sector Advisor Report Form (SARF), giving details on whether the assessment decisions are correct according to assessment criteria requirements. The Sector Advisor will then send the report to the Standards Verifier to complete the verification.
- Report back to Pearson and the Standards Verifier following sampling within agreed service-level agreements (5 working days)
- Undertake online supplementary training annually.
- Undertake any other duties appropriate to the work of WBL Assessment in relation to this role
- Support centres to understand and implement identified actions through working with the Standards Verifier
