

TQ Writer Application Task

- As part of the application process for this role you are required to complete the task below to be reviewed by Product team.
- The deadline for submitting your task is a week after the submission date of your application form.
- Please ensure to complete and submit the task to us through associate.pearson.com within 7 days of submitting your form (please select General Enquiries under Category Type)
- Please be aware that if we do not receive your completed task in time your application will be withdrawn.

Task

- You have been given the outline content for a section of the technical qualification
- You need to elaborate this content to give details of exactly what a teacher is expected to teach (a sample from a different qualification has been provided for guidance)
- You should include everything needed for a teacher to teach this externally assessed content in a similar format
