

VQ Writer Application Task

- As part of the application process for this role you are required to complete the task below to be reviewed by the Qualification Development team.
- The deadline for submitting your task is a week after the submission date of your application form.
- Please send your completed task to aarecruitment@pearson.com.
- Please be aware that if we do not receive your completed task in time your application will be withdrawn.

Task

- You may choose to write a unit for the QCF or NQF.
- Select the appropriate writer's template for the type of unit you have chosen.
- Write the unit title, aim and purpose, learning objectives/aims and guidance on how it may be delivered for a unit subject of your choice.
- Complete other unit information on the template as requested. The level of the unit must be clearly indicated.
- You should have no more than 3 learning objectives/aims.
- Use at least 300 words, but no more than 500 words in total.
