

Pearson

Pearson Vocational Test Inspector

Purpose of this role

To make unannounced inspections to ensure that vocational tests are being delivered with integrity and in accordance with Pearson and regulatory requirements.

Key accountabilities

The Pearson Vocational Test Inspector will:

- Attend and complete annual training and pass standardisation.
- Ensure your availability for vocational qualification test inspection visits is fully updated through the agreed method.
- Inform the Test Inspection team of any changes to circumstances where accepted allocations cannot be met 48 hours before the test is due to take place.
- Follow the protocols set out in the vocational qualification test report form which are derived from the guidance document and training.
- Carry out unannounced inspection visits to each centre allocated to you to review the security of assessment materials and to ensure the effective delivery and management of programmes with a form of external assessment you have been contracted to review.
- Carry out unannounced, accompanied (supervisor and/or member of Pearson Test Inspection team) inspection visits to each centre allocated to you as and when required.
- Produce a qualitative report for each test inspection visit, identifying any necessary requirements clearly and concisely, SMART action planning and to make recommendations, in accordance with guidance and training.
- Recommend certification suspension or further urgent actions that may affect the integrity of the qualification/certification (including malpractice) to your supervisor/Pearson immediately after the visit.

- Report back to Pearson within agreed timelines.
- Fully support the Pearson Vocational Qualification Test Inspector supervision process.
- Undertake additional training as and when identified by your assigned supervisor or the Test Inspection team.
- Undertake any other duties appropriate to the work of Business Improvement and Regulation in relation to the role of a Pearson Vocational Test Inspector.
