

# Sector Advisor- BTEC Level 2 Diploma Healthcare Science: General Healthcare Science

## Purpose of this role:

The Sector Advisor (SA) will support the verification of the BTEC Level 2 Diploma in Healthcare Science. The SA will remotely sample learner work against the <u>specification</u> and confirm if the learner has met the standard for particular units of this qualification.

The SA will work with the Standards Verifier to recommend whether to block or release the units to complete the verification.

The SA must be occupationally competent and have evidence of Continuous Professional Development (CPD) in the units they are sampling,

## **Key Accountabilities:**

Acceptance of a contract to provide services to Pearson as a Sector Advisor will be regarded as an undertaking to meet the following requirements:

- Familiarise yourself with the specifications so that you can refer to the unit content, assessment criteria and associated assessment guidance when carrying out sampling
- Provide proof of relevant CPD annually
- Sample assessment outcomes to ensure that valid and reliable assessment decisions are made and national standards are maintained.
- Undertake sampling of learner work to ensure that valid and reliable assessment decisions are made and national standards are met.

Prepared by: WBL Qualification Delivery and Award Manager

Approved by: Principal Standards Manager

- Provide sector-specific support, advice and guidance to the Standards Verifier
- Complete section(s) of the Standards Verification report, recommend whether to block or release the units being sampled, and provide. The SME will then send the report to the Standards Verifier to complete the verification.
- Recommend specific, measurable, achievable, realistic and time bound actions where national standards are not being upheld. Support the Standards Verifier to understand identified actions.
- Report back to Pearson and the Standards Verifier following sampling within agreed service-level agreements (5 working days)
- Under take online supplementary training annually.
- Undertake any other duties appropriate to the work of WBL Assessment in relation to this role
- Support centres to understand and implement identified actions
